We provide complete solutions like Fabrication, Erection and Commission of Equipments. We design and manufacture the equipments as per Indian and International Standards (ASME, BS, DIN and IS Standards).

OUR PRODUCT RANGE

REACTOR

- GMP & NGMP Reactors
- Reactors with Jacket
- Reactors with limpet coil (Internal & External)
- Hydrogenetors
- Mixing Vessels

RECEIVERS & STORAGE TANKS

- Receiver with Jacket
- Horizontal Storage Tanks
- Vertical Storage Tanks
- Transportation Tanks
- HSD Systems
- Receiver CGMP Model
- Ammonia & Under Ground Tank

HEACT EXCHANGERS

- Shell & Tube Heat Exchangers
- Box Type Heat Exchangers
- Single & Multi Pass Heat Exchangers
- U-Bundle Heat Exchangers
- Floating Head Heat Exchanger with TEMA

DISTILLATION COLUMN

- Distillation Column with Reboiler Kettle
- Raising Film Evaporator (RFE)
- Falling Film Evaporator (FFE)
- Agitated Thin Film Evaporator

FILTERS

- Leaf Filter
- Open Nutsch Filter
- Pressure Nutsch Filter
- Candle Filter

We also undertake: Vacuum Tray Dryers, Blenders (Double Cone, Octagon, Paddle Type), Pressure Vessels, Centrifuge, Cardinal Plant, Cement Plant, Sugar Plant Machinery
